## PRIVATE CATARACT SURGERY AT WEST SUFFOLK HOSPITAL

Private surgery for cataract removal is now available at West Suffolk Hospital (WSH). Mr Hanspal and Mr Hussain provide a private service within the hospital, please contact them for more information.

Various services are available, example procedures and their pricing structure include:

- Monofocal £1970;
- Monofocal Toric version £2155;
- Extended depth of focus £2385;
- Extended depth of focus Toric version £2485;
- Trifocal £2505;
- Trifocal Toric version £2625.

Insured patients may face an additional charge for toric/ premium lens implants as most insurance companies won't cover the cost of these lenses in full.

Clear lens extraction is also available.
